

The cornerstone of Men of Resolution (MOR) is Jesus Christ and Him alone. We can completely trust in Him. His earthly life as a man defines manhood for all men. He is the manliest of men and our perfect example and Savior. Christ is the most important focus of this organization. It is His model of discipleship we follow, and His command we receive and live out. We acknowledge all authority in heaven and earth is His. We are to go, seeking out and finding men, where ever He places us and where ever we are. We are to make disciples, asking men to follow Jesus. We are to baptize them. We are to walk with them, teach them obedience to Christ, be a model for them, and a pastor-shepherd to them.

We are to live this lifestyle in confidence and faith that He is with us always, to the very end. **We are to live this discipleship lifestyle daily till He returns or calls us home.** We accept this command as our Christ-following brothers before us who shared the message so we could believe. We unite with them as one (John 17:20-26). It is now our time to go and make disciples of men, baptizing them, and teaching them obedience to Christ. In doing so, we engage the culture, impacting this generation for Christ, and establishing a legacy of faithfulness to God for generations to come.
